CODE NEDERLANDS

(Basisleergang Nederlands voor volwassen anderstaligen)

Lesson - 1 To 12 with Basic Grammar and vocabulary

## Target Audiences:

This course in natural Dutch is ideal for Businessmen, Account Managers, Marketing, Sales and Business Development Executives, HR and IT Professionals, Resourcing Managers and others whose aim is a working knowledge of spoken Dutch in everyday life.

## Objectives

A course that effectively teaches you to speak, read, write and understand basic Dutch to transact day-to-day business activities.

- To gain knowledge of Dutch vocabulary for day-to-day use.
- To adopt a Dutch accent
- To develop conversational skills needed to interact in social situations, such as body language, pronunciation, tone, rhythm, pauses, politeness and timing. Social and communication skills, non-verbal communication skills and knowledge of Dutch culture are all important for effective conversational skills.
- To understand the Dutch living style, culture, business ethics, history and geography of the Dutch people
- To develop conversational skills needed to interact in social situations, such as body language, pronunciation, tone, rhythm, pauses, politeness and timing. Social and communication skills, non-verbal communication skills and knowledge of Dutch culture are all important for effective conversational skills.

## Internal Tests & Final Test (Oral & written):

2 Internal Tests (Oral & written) and 1 Final Test (Oral & Written).

## Self-practice and homework

The participants will have to dedicate about two hours of homework every day after the class to acquire good Dutch language skills - vocabulary, reading and writing in Dutch.

Once participants complete the training successfully they can be comfortable in conversing, speaking, writing and reading Dutch. They would also be able to converse in basic Dutch for their day-to-day business needs.
